

**LB BARNET – COMMUNITY INFRASTRUCTURE LEVY EXAMINATION**

**LB BARNET AND BRENT CROSS CRICKLEWOOD DEVELOPMENT PARTNERS STATEMENT OF  
COMMON GROUND AND JOINT REQUEST FOR MODIFICATIONS TO THE DRAFT  
CHARGING SCHEDULE**

1. This Statement of Common Ground and joint request for a modification to the Draft Community Infrastructure Levy ("CIL") Charging Schedule is submitted to the Inspector on behalf of the London Borough of Barnet ("the Council") and the Brent Cross Cricklewood Development Partners ("BXC DPs").
2. The regeneration of Brent Cross Cricklewood is central to the Council's development strategy as set out in the adopted Core Strategy, and thus the BXC DPs have engaged closely with the Council to ensure that once adopted the CIL Charging Schedule facilitates the delivery of the regeneration area, should a further planning application for the site be submitted in the future.
3. As a result of the representations submitted during the evolution of the charging schedule, the Council and the BXC DPs have agreed to a series of corrections to the Draft Charging Schedule which are identified on the attached document entitled 'Proposed additional corrections to the Draft Charging Schedule'.
4. This formal request to the Inspector is that the Draft CIL Charging Schedule is modified in the manner requested in the attached document which would enable the BXC DPs to support the Council's emerging Charging Schedule at the Examination.
